Quality Assurance Developer Joins AJBoggs

Okemos, Michigan

A.J. Boggs & Company (AJBoggs) Welcomes Samitha Thaj Mohamed to the Team.

A.J. Boggs & Company (AJBoggs) is pleased to announce the addition of Samitha Thaj Mohamed to our team in January 2023. She joins us as Quality Software Developer at our Okemos office.

Samitha brings a wealth of experience and expertise to our team, having worked in the information technology field for 15+ years, including experiences with Accenture Technology Solutions in Lansing and Allegiance Health in Jackson, Michigan. With a proven track record of success as database administrator, technical system analyst, and Tester, Samitha will play a key role in leading our teams to achieve their strategic goals and objectives.

Samitha holds a Computer Science Engineering Degree and is certified as an Agile Certified Practitioner (PMI – ACP 2021), Project Management Professional (PMI – PMP 2020), a Java Programmer, and for the ITIL® Foundation.

About Us

AJBoggs is a software development and cloud services firm headquartered in Okemos, Michigan. It develops enterprise web applications for public health agencies, builds information retrieval search engine solutions, and offers secure managed hosting services for healthcare agencies.
